Auditors' Report.	Replies of the Departmental replies and Chief Accountant's remarks.
SECTION I- INTRODUCTORY.	
The accounts of the Calcutta Corporation for the year 1935-36 have been examined and test audited.	PARA 1.—No remarks.
2. The more important points arising out of audit are incorporated in this Audit Report which is due to be published under section 123-A of the Calcutta Municipal Act. A Test Audit Note embodying the less important irregularities which could not be settled in the course of audit has separately been sent to the Chief Executive Officer for disposal.	PARA 2.—No remarks.
Ad-interim reports.	
3. The irregularity and loss referred to in para 26 of this report was brought to notice of the Corporation and of Government in an *ad interim* report under section 122 of the Act. Reply of the Corporation was not received on the matter when the audit closed.	PARA 3. The Assessor reports:— The resolutions of the Finance Committee dated the 30th November, 1936, which were confirmed by the Corporation on the 9th December, 1936, were communicated to Government as per the Chief Executive Officer's letter No. S/2542, dated the 24th July, 1937, in reply to the ad-interim report. The latest developments of the case have been stated in our replies to para 26 of this report.
Notice of surcharge.	
4. In connection with the error of calculation referred to in para 21 of the Audit Report for the year 1933-34, the Corporation have instituted an enquiry and the assessment has also been meanwhile increased. The results of these will be watched in due course.	PARA 4.—The Assessor reports:— The matter is still under consideration of the Committee.

Corporation Chief Executive Officer's remarks.	Resolutions of the Finance Standing Committee as confirmed by the Corporation.	Audit Rejoinder together with further replies of the Corporation.	Final orders of Government as per their letter No. 19 T.M. dated 27th April, 1940.
	The Finance Committee at their meeting dated 28th March, 1938, considered the Audit Report for the year 1935-36 and recommended as follows:- That it be recommended that the departmental explanations furnished in connection with the points raised in the different paragraphs in the Audit Report for the year 1935-36 be adopted subject to the following directions and remarks:— (*These directions and remarks have been shown against the paragraphs concerned*). The Audit Report together with the recommendations of the Finance Committee dated 28th March, 1938, was considered by the Corporation at their meeting dated 25th May, 1938, when (I) they confirmed the recommendations of the Finance Committee and (II) passed resolutions shown at page 65 of this Audit Report.	The further comments of the Accountant General, Bengal and the Examiner of Local Accounts as per their letter No LA. 1129 dated 26th August 1938 regarding the Audit Report for the year 1935-36 were considered by the Finance Committee on 9th January 1939, when they resolved as follows That the departmental replies noted in the precis against the Auditors remarks regarding the relevant paragraphs of the Audit Report for 1935-36 be accepted with the following exceptions [*The departmental replies and the recommendations of the Finance Standing Committee have been shown against the paragraphs concerned excepting the commencing portion of Chief Accountant's note which has been shown at page* 65.] The Corporation at their meeting dated 8th February, 1939, confirmed the recommendations of the Finance Committee dated 9th January 1939.	
Remarks of the Deputy Executive Officer:— PARA 3. Section 151 of the Act was enacted at a time when the apprehension was that speculators would hold on to their lands for purposes of speculation No such apprehension exists now. I think we should attempt to have the provision repealed. The biggest individual holder of vacant lands is the Calcutta Improvement Trust but the Chairman claims that he is debarred under the Improvement act from building up the lands and therefore the penal provision can not be applied against the Trust. *Chief Executive Officer's remarks*: I agree with Deputy Executive Officer I that this provision in the Act should be repealed.	PARA 3 That the Committee reiterate the previous resolutions of the Finance Committee dated 20th December, 1937, confirmed by the Corporation on 21st January, 1938, *viz.*, that the Government be approached to amend Section 151 of the Act as in their opinion there is no necessity for the proviso to the Section.	*Accountant General, Bengal and Examiner of Local Accounts letter No. LA 1129 dated 26th August 1938*:— PARA 3 Further orders of Government are awaited The Chief Accountant reports:— *Vide* remarks against para 26	
	PARA 4. This matter is being dealt with separately The police report shows that there is no evidence of a conspiracy to defraud the Corporation.		PARA 4.—Notice of surcharge. The attention of the Corporation is invited to paragraph 2 (7) of the Government order No. 186-M, dated the 19th January, 1938, with the request that the disposal of the matter may be expedited.

Under Rule 7 of the said Audit Rules, this Audit Report for 1935-36 was due for publication in newspapers not later than 31st March, 1938. The final orders of Government, on the Audit Reports for 1934-35, 1935-36 and 1936-37 have however been sent to us within short intervals viz., on 6th April, 1940, 27th April, 1940 and 25th May, 1940, respectively when this department was busily engaged with the Audit Report for the year 1938-39. The time programme enumerated in the said Audit Rules makes the last quarter only of a financial year available to our staff to attend to the work of publication. As it is we may expect to expedite one Audit Report only during this short time now at our disposal.

As ordered by you, this department has already taken in hand the publication of the Audit Report for 1934-35. The Audit Reports for 1935-36 and 1936-37 will be taken up in succession, as soon as we can finish the report for 1934-35 to which your approval is solicited.

The Audit Rules do not provide for inclusion in the publication of any replies or remarks subsequent to the passing of final orders of Government. The orders and observations of Government, are however of a nature deserving the attention of the Corporation. The letter may therefore be placed before the Corportion through the Finance Committee for which your orders are solicited.

These orders and observations of Government, are dealt with below :—

(1) Paragraph 4—Notice of surcharge:—

This relates to a case of wrong calculation of the valuation of premises No. 67, Sukeas Street.

The Assessor reports on 24th July, 1940. This matter has already been referred to the Finance Standing Committee. The item, [illegible] will come up shortly.

(2) Paragraph 5—Previous Audit Reports :—No remarks.

(3) Paragraph 9—Cash in hand with the Treasurer:—

This question has already been dealt with in our replies to Para 8 of the Audit Report for 1938-39 which is now engaging the attention of Chief Executive Officer.

(4) Paragraph 24—Balance Sheet—No remarks.

(5) Paragraph 26—rates on vacant lands remitted for more than three years—

Paragraph 3 of Government letter. No. 131 T. M. dated 6th October. [illegible] is quoted below:—

"Para 15.—As regards remission of the consolidated rate in respect of vacant lands suitable for building sites but not utilised as such, Government are advised that the Corporaton is not competent under the proviso to section 151 of the Calcutta Municipal Act, 1923, to grant general exemption to all building sites lying vacant for more than 3 years. The Section contemplates the consideration of individual cases."

While considering the letter of the Accountant-General, Bengal, dated 3rd October, 1936, on the question of enforcing the proviso to section 151 of the Act, in respect of vacant lands, the Corporation on the 9th December, 1936 resolved, *inter alia* as follows :—

That the Assessor be requested to place before the Committee a list of vacant lands in respect of which full rates can be charged together with a list of vacant lands in regard to which special circumstances exist.

Accordingly a list of vacant lands for all the wards in the city were prepared and placed before the Finance Committee. The Finance Committee on 20th December, 1937 resolved as follows:—

"That in the opinion of the Committee there is no necessity for the proviso to Section 151 of the Calcutta Municipal Act, 1923, and they recommend that the Government be approached to amend the section." ...

The above resolution of the Finance Committee was confirmed by the Corporation at their meeting held on 21st January, 1938.

A copy of the said resolution of the Corporation was duly forwarded to the Secretary to the Government of Bengal, Department of Public Health and Local Self-Government (along with the letter No. S. 6554 dated 29th January, 1938) with the request to move the Legislature for an amendment of the Act.

(6) Paragraph 38—Want of timely action :—No remarks.

(7) Paragraph 44—Suit against a dead person—No remarks.

(8) Paragraph 50—Irregular imposition of fines.

This relates to imposition of fines by the Superintendents of the Municipal Markets on stall-holders.

No remarks.

(9) Paragraph 51—Expenditure in excess of provision in the Budget.

This question has already been dealt with in my replies to the final orders of Government, on the Audit Report for 1934-35, as per paragraph 2(9) of their letter No. 530-M. dated 6th April, 1940.

(10) Paragraphs 54, 59 and 63 :—Special increment of pay to compensate cessation of cycle allowance. Observations on the tenders accepted by the Corporation for the supply of coal for the year ending 31st January, 1936 and acceptance of the highest tender.

The recommendation of the Finance Standing Committee in this connection as confirmed by the Corporation dated 8th February, 1939, is quoted below for ready reference:—

These recommendations have already been shewn against para 54 at pages 49 and 51.

Paragraph 2 (12) of Government order No. 530-M, dated 6th April, 1940, relates to the Audit Report for 1934-35. It runs as follows:—

"In connection with these paragraphs a question has been raised as to the proper function of the auditors under Section 122 (a) of the Calcutta Municipal Act. The Auditors have held that in the cases mentioned in these paragraphs there was a "material impropriety in the expenditure within the meaning of the aforesaid section, while the Corporation has maintained that the auditors have no power to challenge the statutory rights of the Corporation in regard to the acceptance of tenders.

As the matter is one of considerable importance, Government have taken legal opinion and are advised that section 69 (4) of the Calcutta Municipal Act gives full power to the Corporation to reject the lowest or lower tenders and that the rejection of such tenders is not, therefore, illegal and that it is not also necessarily improper in all cases. Government are, however, advised that under Section 122 (a), it is the duty of the auditors to point out not only illegalities but also any material impropriety or irregularity in the expenditure and that, if the auditors consider that the rejection of the lowest or lower tenders is improper and unjustified, they are not only entitled to, but are bound to point it out

It appears that the Corporation has also objected to the direction given by Government in paragraph 2 (17) of their letter No. 186-M, dated the 19th January, 1938, for placing on record the reasons for rejecting the lowest or lower tenders on the ground that this is not enjoined by the Act and that it would not always be feasible to do so. Government are, however, of opinion that the rejection of the lowest or lower tenders may aften raise a question as to the propriety of such rejection and that the reasons for the rejection should therefore be placed on record as far as possible."

(11) *Excess cost for want of a proper estimate.*

This relates to the work of construction of a one-storied building having foundation for four storeys and provision for a Clock Tower for the extension of College Street Market, South Section.

Letter No. 85-M, dated 18th January, 1939 of the Secretary to the Government of Bengal conveying the sanction of Government to the revised estimate amounting to Rs. 2,73,60,340-1-8 for the Calcutta Water Supply Extension Scheme and making certain suggestions in regard to the execution of extra work not covered by sanctioned estimates for acceptance by the Corporation was considered by the Corporation at their meeting dated 17th November, 1939, when they resolved as follows:—

"That the suggestion of the Government be not approved and that it be a direction to the departments concerned to obtain the previous sanction of the Chief Executive Officer, in all cases of extra works involving substantial modifications in the estimate."

The resolution of the Corporation was communicated to Government in Chief Executive Officer's letter No. S/4868 dated 4th December, 1939.

(12) Part II of the resolution of the Corporation dated the 25th May, 1938, on the Audit Report.

Part II of the Corporation resolution dated the 25th May, 1938, in connection with the Audit Report in question runs as follows:—

"That the attention of the Government be drawn to the trivial and unbusiness-like character of a large section of the Audit Report and also to the failure of the Accountant-General in the Local Audit Branch to report considerable losses which are known to have been incurred in the Building Department during the period under audit."

With regard to the above, the Accountant-General, Bengal and the Examiner of Local Accounts, Bengal observed in their letter *No. L. A. 1129 dated 26th August*, 1938 *as follows*:—

"The remarks made in Paragraph II of the Corporation resolution dated 25th May, 1938 are absolutely unjustified and the auditors take serious objections to these comments. The Corporation should have known that under the statute the auditors are required to report any loss or waste of money or other property of the Corporation which has been caused by neglect or misconduct, and that, however much they might like, they cannot in the present state of the law, exclude petty items of loss from the report or the details establishing neglect or misconduct. The charge about the unbusiness-like character of the report is not understood. The present report was drawn up on the same lines as the previous ones and no objection was taken to the form of these reports previously. As regards the allegation that considerable losses in the Building Department went undetected in audit, the auditors find that these were due to the failure to detect unauthorised construction or to the withholding of reports of such constructions. The detection and reporting of such cases are the functions of the executive and it is surprising that the auditors should be held responsible for investigating possible demands, the accrual or otherwise of which could be determined only by local inspection."

Further resolutions of the Corporation in this connection have been quoted in my replies to paragraphs 54, 59 and 63 above.

The Chief Executive Officer remarks as follows:—

To Finance Committee. Arrangements for publication as required by law should also be made as early as possible.

(1) *Paragraph* 4—

The Committee were informed that this matter had already been dealt with by this Committee in connection with the Audit Report for 1937-38.

(2) *Paragraph* 5—

The Assistant Secretary said that the Audit Report for 1933-34 was published in March and arrangements had been made to publish the successive Audit Reports as soon as Government orders thereon were received. He might mention that Government orders on 3 years' Audit Reports had been received within 3 months and naturally it would take some time to publish all the reports as they could take up only one at a time.

No remarks.

(3) *Paragraph* 9—

The Chairman said that this question would be dealt with in the Audit Report for 1938-39.

(4) *Paragraph* 24—

No remarks.

(5) *Paragraph* 26—

The Committee and the Corporation reconsidered the matter along with the Government letter No. 131-M, dated 6th October, 1936, and came to the conclusion that it was impracticable to adopt any other course than what was previously recommended by them and their resolution was communicated to the Government under cover of the letter No. S. 6864, dated 29th January, 1938.

(6) *Paragraph* 38—
No remarks.

(7) *Paragraph* 44—
Instructions have already been issued to the Heads of Departments in this respect.

(8) *Paragraph* 50—
No remarks.

(9) *Paragraph* 51—
The Committee agree that it will not be possible for the departments to obtain sanction under Section 13 (b) in every case as explained in the Chief Accountant's report.

(10) *Paragraphs* 54, 59 *and* 63—
The Committee are of opinion that the attitude already taken up by the Corporation in this matter, should be adhered to.

(1) *Paragraph* 55—
The Officiating Secretary stated that the Government in a subsequent letter, No. 1116-M, dated 4th September, 1940 have asked the Corporation to reconsider their decision dated 17th November, 1939. Reports have been called for and the matter will be placed before the Corporation later on.

The Committee decided that Government be informed that the matter was engaging the attention of the Corporation.

(12) *Part II of the resolution of the Corporation dated the 25th May,* 1938, *on the Audit Report.*
The Committee suggest that the Corporation should maintain their previous attitude.

Resolved

That it be recommended that the orders and suggestions of the Government as per their letter No. 197-*M, dated the 27th April,* 1940, *be given effect to, subject to the following directions and remarks*:-

Paragraph 5.—That necessary arrangements are being made to publish the reports as early as possible.

Paragraph 26. That the Government be requested to reconsider the matter and amend Section 151 with retrospective effect as explained in letter No. S. 6554, dated 29th January, 1938, as early as possible.

Paragraph 44.—That the Committee have already dealt with this matter in connection with the Audit Report for the year 1934-35.

Paragraph 51.- That the Government be informed that it is not possible in all cases to observe the provisions laid down in Section 13(b) of the Act, for reasons explained by the Chief Accountant.

Paragraphs 54, 59 *and* 63.—That the Corporation adhere to their opinion as contained in their resolution dated 8th February, 1939.

Paragraph 55. –I. That the matter is under consideration and that a reply will be sent as soon as the Government letter has been disposed of.

II. That the Corporation are unable to agree with the views of the Auditors in the matter.

The above recommendations of the Finance Standing Committee were confirmed by the Corporation on 15th January, 1941.

The resolutions of the Corporation were communicated to Government in Chief Executive Officer's letter No. S/4332 dated the 25th January, 1941 and to the departments concerned as per Secretary's Circular No. 152 of 1940-41.

NOTIFICATION.

Dinajpur.—No. 397C./P.H.—3rd May 1943.—Whereas the Governor is satisfied that the municipality of Dinajpur in the district of Dinajpur is threatened with an outbreak of smallpox:

Now, therefore, in exercise of the power conferred by section 2A, read with sub-section (*1*) of section 2 of the Epidemic Diseases Act, 1897 (Act III of 1897), the Governor is pleased to prescribe the following temporary regulations for the prevention and control of smallpox, and for the medical inspection, isolation observation and surveillance of persons suffering from, or suspected of being infected with, smallpox in the said municipality for a period of three months:—

Temporary regulations for the prevention and control of smallpox.

1. In these regulations, unless there is anything repugnant in the subject or context—

(*a*) "Health Officer" means the Health Officer of the municipality;

(*b*) "Sanitary Inspector" means a Sanitary Inspector appointed by the municipality;

(*c*) "Smallpox" means any disease accompanied by an eruption of vesicles or pustules;

(*d*) "Patient" means a person suffering from or suspected to be suffering from smallpox;

(*e*) "Medical practitioner" means any person practising the medical profession.

Notices.

2. If in any case the Health Officer or a Sanitary Inspector considers that the issue of a notice under regulation 20 is likely to lead to such an amount of delay as might facilitate the spread of smallpox, he may forthwith take such steps as he may think fit for carrying out the work, and shall thereafter, as soon as possible, issue a notice on the person concerned stating the reason why such work has been carried out.

3. If any measure which the Health Officer or a Sanitary Inspector has, by a notice issued under regulation 20, required to be carried out, be not carried out to his satisfaction within the time stated in the notice the Health Officer or a Sanitary Inspector shall be entitled to carry out the measure.

Cost and compensation.

4. (1) All expenses incurred in carrying out any work in pursuance of an order issued under these regulations shall be paid by the municipality except in any case where the order directs a person to carry out any work in relation to property in his possession, in which case the expenses shall be paid by such person:

Provided that where the conditions, which led the Health Officer or a Sanitary Inspector to pass such an order, are not attributable to any act or default of the person in possession of the property, the municipality may pay to such person the whole or a part of the expenses incurred by him in carrying out the order.

(2) The municipality may recover all expenses incurred by the Health Officer or a Sanitary Inspector in carrying out the measure under regulation 3 from the person or persons to whom the notice was originally issued.

5. The municipality shall pay adequate compensation to any person who has sustained substantial loss or damage by reason of anything done under these regulations:

Provided that no person shall receive any compensation for anything done or suffered under these regulations, if he has failed to carry out an order, issued under these regulations within the time specified in the order and to the satisfaction of the Health Officer or a Sanitary Inspector.

Location of disease.

6. When a case of smallpox occurs in a house, the nearest male relative in attendance upon the patient, or in the absence of any such relative the occupier of the house, or if the occupier be the patient, the senior male inmate of the house other than patient of the house shall within twenty-four hours of the onset of the disease, give information regarding the occurrence of such case either personally or in writing to the nearest Sanitary Inspector. When the inmates of the house are all females the medical attendant or the senior male inmate of the nearest house shall give the required information.

7. (1) Every medical practitioner called in to attend upon any case of smallpox shall forthwith give notice of the case by a special messenger to the Health Officer or a Sanitary Inspector and the cost of such messenger in each case shall be defrayed by the municipality.

(2) The doctor-in-charge of a hospital or a dispensary within the municipality shall forthwith give notice of any case of smallpox brought to such hospital or dispensary for treatment to a Sanitary Inspector or to the Health Officer by a special messenger and the cost of such messenger in each case shall be defrayed by the municipality.

8. Registrars of births and deaths shall supply to the Health Officer or a Sanitary Inspector such periodical returns of cases of smallpox as he may from time to time call upon them to furnish.

9. The Health Officer or a Sanitary Inspector may examine any person who is or suspected to be suffering from smallpox or who, in his opinion, may be infected with or likely to spread smallpox.

Isolation of patients.

10. When the Health Officer or a Sanitary Inspector considers that the isolation of any patient is a precaution necessary for the protection of the neighbouring population, he shall order the patient to observe isolation and may order the nearest relative in attendance on the patient, or the occupier of the house in which the patient is staying to arrange for the isolation of the patient in such a manner and for such a time as may be approved by the Health Officer or a Sanitary Inspector.

He shall not direct the patient to be removed from the house unless it is, in his opinion, impossible to make proper arrangements for his isolation therein.

11. The Health Officer or a Sanitary Inspector may order that any person, who has been in contact with a person found to be suffering from smallpox shall be segregated for a period not exceeding a fortnight in a manner and in a place to be approved by the Health Officer or a Sanitary Inspector.

12. The Health Officer or a Sanitary Inspector may order that any person who has been in contact with a person found to be suffering from smallpox shall be vaccinated or revaccinated within a time to be specified in the order.

13. No person shall enter any place wherein a patient is isolated under regulation 10 without the permission of the Health Officer or a Sanitary Inspector.

14. When a patient has been removed from a house for isolation under regulation 10, the municipality shall provide for him free of charge a suitable place, with necessary attendants, diet, etc.

15. No person, who is or has been suffering from smallpox shall leave the place where he has been staying until he has received from the Health Officer or a Sanitary Inspector written permission to do so.

16. No person while suffering from evident symptoms of smallpox or in the convalescent state of the disease with scabs of pocks on his body shall expose himself in any street, road, public place, shop, bazar or any place used in common by persons other than members of the family or household to which such infected person belongs or shall move from place to place unless he is proceeding to a hospital for admission and treatment.

17. The Health Officer or a Sanitary Inspector may during the prevalence of any outbreak of smallpox order that any bazar, shop or other public place shall remain closed for such time as may appear to him to be necessary and may forbid the holding of any fair, mela or other gathering to which people from several villages commonly or periodically resort.

Miscellaneous.

18. The Health Officer or a Sanitary Inspector may require any person to allow to be carried out by such agency and within such time as may be specified in the order, such measures for the disinfection of any premises in the occupation of such person or for the disinfection or destruction of any of his personal effects, as the said officer or inspector may consider necessary.

19. The Health Officer or a Sanitary Inspector may direct the owner or occupier of any premises to take steps to have vaccinated or revaccinated within a time to be specified in the order any person residing on such premises and under the control of such owner or occupier if the Health Officer or a Sanitary Inspector is of opinion that such person has been in contact with any one suffering from smallpox.

20. The Health Officer or a Sanitary Inspector may forbid any person who has been a patient or who has to his knowledge been in contact with a patient to act as vendor of any article for such period as may be specified in the order.

21. No person shall sell any article which has been in contact with a patient until it has been disinfected to the satisfaction of the Health Officer or a Sanitary Inspector.

22. The Health Officer or a Sanitary Inspector may issue general orders that by a specified date certain sanitary precautions of a simple nature, such as lime-washing of houses, clearing of latrines or the removal of filth or rubbish shall be carried out to his satisfaction.

23. The Health Officer or a Sanitary Inspector may prohibit persons from retaining or selling clothes taken from the bodies of persons who have died of smallpox and may cause any such clothes to be destroyed.

24. No person shall carry or permit to be carried in a public conveyance a patient except in the case where a patient is carried with proper precautions to a hospital.

25. No person shall expose in any street, shop, bazar or any public place any clothing, bedding or other article which has been in contact with a patient or shall cause or suffer such article to be carried in any public conveyance, but nothing in this regulation shall apply to a person who transmits with proper precautions against spreading the disease any such article for the purpose of having the same disinfected.

26. No person shall carry or permit to be carried in a public conveyance the dead body of any person who has died of smallpox without the previous written permission of the Health Officer, or the Sanitary Inspector, and without taking proper precautions against spreading the said disease.

27. No person shall, without the written permission of the Health Officer or a Sanitary Inspector, dispose of any corpse except by burning or burial.

28. The Health Officer or a Sanitary Inspector may approve burning or burial grounds and may by order direct either generally or specially in respect to any specified area, that corpses shall not be burned or buried at places other than those so approved by him.

31. The Health Officer or a Sanitary Inspector may order that no *dome* or other servant ot the municipality employed for the disposal of corpses shall withdraw from his duties without the permission of the Health Officer or a Sanitary Inspector unless such *dome* or other servant of the municipality has given notice in writing not less than one month previously of his intention so to withdraw.

32. The Health Officer or a Sanitary Inspector may through any person authorised by such officer or inspector in that behalf seize and dispose of any corpse which in the opinion of the said officer or inspector is infected with or is likely to spread smallpox, unless the relatives or friends of the deceased person satisfy him that they are prepared and able to dispose of the corpse in a manner which will prevent the spread of smallpox.

DEPARTMENT OF AGRICULTURE, BENGAL

Calcutta, the 13th April 1943.

Third Forecast of the Wheat Crop of Bengal, 1942-43.

[*Note*—On an average of the five years ending 1940-41, the area under wheat in Bengal has represented some 0·5 per cent. of the total area under wheat in India. The ratio of the irrigated wheat acreage to total wheat acreage in (*a*) British India and (*b*) in the territory now reported on has, in the five years ending 1940-41, averaged (*a*) 45·9 and (*b*) 7·8 respectively.]

Character of the season.—Since the submission of the second forecast the weather has been fairly favourable although slight damage has been caused by rainfall and hailstorm in the districts of Murshidabad, Pabna and Faridpur.

Acreage.—According to the estimates of the District Officers the total area sown is 177,200 acres this year against 170,000 acres both in the corresponding and final forecasts last year.

Outturn.—The average provincial outturn as worked out from the district estimates is 91 per cent. as against 76 and 69 per cent. in the corresponding and final forecasts of last year.

Taking the normal yield to be 9 maunds per acre, the gross yield of the crop for the province works out to 53,300 tons this year as against 42,700 tons (revised) and 38,800 tons (revised) respectively in the corresponding and final forecasts of last year.

(b) Decrease in revenue is due to the lowering of canal water for military purpose and thus canal has become hardly navigable.

NOTIFICATION.

No. 1879A.—20th May 1943.—With reference to the Indian Civil Service Provident Fund Rules, made by the Secretary of State on the 3rd June 1942, the following instructions are issued by the Government of Bengal for the guidance of those subscribers to the Fund who are under their administrative control and of the Accountant-General, Bengal:—

1. *Subscriptions* (*Rule 3*).—(1) Where the subscriber draws emoluments (other than leave salary or reduced remuneration during suspension) from a Government Treasury in India, the amount of subscription will be such as may be deducted by him from the bill on which he draws the emoluments. The amount may be varied by the subscriber during the year within the limits prescribed in rule 3.

(2) In the case of a subscriber on leave the amount of subscription will be such as he may intimate to the Accountant-General, Bengal, before proceeding on leave. If during leave the subscriber will be drawing minimum leave salary or leave salary under Fundamental Rule 88, he should intimate to the Accountant-General, Bengal, whether he wishes to subscribe and if so the amount he will be subscribing. No alteration will be permissible in the amount so fixed for the period of leave. If the subscriber fails to intimate before proceeding on leave he will be deemed to have exercised his option in favour of subscribing during leave at the minimum rate of 4 per cent. of his leave salary and deductions will be made accordingly.

(3) The instructions in sub-paragraph (2) will apply *mutatis mutandis* to a subscriber under suspension during which reduced remuneration is drawn.

(4) In the case of a subscriber transferred to foreign service or sent on deputation out of India the amount of subscription will be such as he may intimate to the Accountant-General, Bengal, before proceeding to join his new duties. The subscriber should also intimate to the Accountant-General, Bengal, the amount of his emoluments while on foreign service or deputation out of India and any change therein in order to enable the Accountant-General, Bengal, to verify whether the rate of subscription is within the limits prescribed in rule 3.

(5) Subscriptions to the Fund will be recovered—

(i) in respect of emoluments drawn from a Government Treasury in India or a Colonial or Home Treasury, by deduction from the emoluments;

(ii) in respect of sterling overseas pay by deduction in India from pay; and

(iii) in respect of emoluments drawn from any other source, in cash, the subscriber remitting the amount direct to the Accountant-General, Bengal.

(6) All subscriptions made by a member together with interest on such subscriptions calculated under rule 4 should be credited to his account in the Fund.

2. *Nominations* (*Rule 5*).—Nominations under sub-rule (1), and notices of cancellation under sub-rule (4), should be in such one of the forms appended to these instructions as is appropriate in the circumstances.

3. *Recoveries on account of advances* (*Rule 7*).—Recoveries on account of advances will commence on the first occasion on which, after the advance is made, the subscriber draws pay for a full month, and will be effected in the manner provided in paragraph 1 above for realisation of subscriptions. Recoveries made by deduction from emoluments will be treated for the purpose of calculating interest under rule 4 as having been credited to the Fund on the first day of the month in which they are made.

4. *Payments towards policies of insurance* (*Rule 8*).—When a subscriber diverts or withdraws money from the Fund to pay the first premium on a policy of insurance (or, if the policy be a single premium policy, to pay that premium) under rule 8, he should furnish the Accountant-General, Bengal, with a certificate in the following form:—

"In lieu of subscription/with the sum of Rs. ....a month to/withdrawn from the Indian Civil Service Provident Fund, I propose to pay a premium/single premium of Rs............/£. .... monthly/quarterly/half-yearly/annually, on a policy of insurance on my own life with. ....Company. This insurance is an endowment/a whole life insurance for Rs .... /£ . ...payable after .... years or death whichever is earlier/on my death".

5. *Recovery of the amount withdrawn under the proviso to rule 11.*—Where a subscriber has to repay to the Fund under the proviso to rule 11, the whole amount withdrawn by him, Government will determine whether the amount should be repaid in one or more instalments and in cash or securities or both.

6. *Final payments* (*Rule 12*).—(1) The Accountant-General, Bengal, will be responsible for making final payments under rules 11 or 12. If payment is made under rule 12 any person claiming payment should send a written application to that Officer. In a case where there is doubt or dispute, but only with regard to a portion of the amount standing to the credit of a subscriber, the Accountant-General, Bengal, should authorise prompt payment of that portion in regard to which there is no doubt or dispute. The persons to whom any amount is payable from the Fund should make their own arrangements to receive payment in India.

(2) If the person to whom any payment is to be made from the Fund is a lunatic, payment should be made to the authority entitled under the law to receive payment on his behalf.

(3) Sums not claimed for a period of six months after they have become payable will, at the end of the year, be transferred from the account head "Indian Civil Service Provident Fund" to the account head "Deposits", and treated under the ordinary rules relating to deposits. Such transfers does not however affect the fiduciary capacity in which the sums are held by Government.

7. Statement of account (*Rule 14*).—(1) The Accountant-General, Bengal, will assign a number to the account of each subscriber, and when paying subscriptions in India, the subscriber should quote this number.

(2) Subscribers are required to satisfy themselves as to the correctness of the annual statements. Errors, if any, should be brought to the notice of the Accountant-General, Bengal, within six months of receiving a statement. DEPARTMENT OF AGRICULTURE, BENGAL.

Calcutta, the 17th May 1943.

Revised Forecast of the Rabi Crops of Bengal for 1942-43.

(*Note.*—On an average of the five years ending 1940-41, the area under summer rice in Bengal has represented some 0·6 per cent. of the total area under rice in India.)

Character of the season.—Sowings commenced under favourable conditions and the effect of weather on the growth of the crops were favourable excepting in certain areas where the crops were adversely affected by heavy rainfall and cyclone.

Acreage.—The total area sown under different *rabi* (1) food-crops and (2) non-food crops dealt with in this forecast estimated at (1) 3,572,700 and (2) 716,200 acres, respectively, this year against 2,882,100 and 706,800 acres, respectively, last year and against 3,043,100 and 708,300 acres, respectively, of the total estimated normal areas under the heads. The total food-crops area this year exceeded the acreage put down last year by 24 per cent., the chief increases being 30·7 per cent. under summer rice, 30·8 per cent. under gram, 52 per cent. under *rabi* cereals (excluding wheat) and 18 per cent. under pulses. The area under the summer rice (*boro*) and tobacco this year reported to be 579,800 and 303,900 acres, respectively, this year as against 443,600 and 321,500 acres, respectively, last year.

Outturn.—According to the District Officers' estimates the average outturn of the different crops works out this year to 85 per cent. of the normal as against 82 per cent. last year.

Summer rice and tobacco crops.—The average outturn of the summer rice (*boro*) for the province works out to 90 per cent. of the normal against 93 per cent. last year. The gross yield of the crop on the basis of the normal yield of 13 3/5 maunds of clean rice per acre is estimated at 260,700 tons this year as against 206,100 tons (revised) last year.

The outturn of tobacco crops works out to 82 per cent. of the normal as in the last year. Taking 1,151 lbs. or 14 maunds as the normal yield of the crop per acre the gross yield for the province works out to 128,200 tons this year against 135,600 tons (revised) estimated last year.

DEPARTMENT OF AGRICULTURE, BENGAL

Calcutta, the 17th May 1943.

Third and Final Forecast of the Spring Oilseed Crops of Bengal, 1942-43.

(*Note.*—On an average of the five years ending 1940-41, the area under linseed in Bengal has represented some 3·6 per cent. and that of rape mustard 12·4 per cent. of the total area under these crops in India.)

Character of the season.—Since the submission of the second forecast in February last effect of weather has been generally favourable. Some damage to the crops by insects has been reported from a few districts.

Area sown.—Oilseeds are chiefly grown in the Dacca, Rajshahi and Presidency Divisions. In the other two divisions the cultivation is not extensive. The total area under the crops (excepting sesamum for which separate forecasts are issued) is returned at 1,087,200 acres as against 945,700 acres last year.

Outturn.—From the District Officers' estimates, the Provincial Outturn of the different oilseed crops works out at 78 per cent. of the normal as against 77 per cent. last year.

Taking 6½ maunds as the normal yield per acre for linseeds, 6⅞ maunds for rape and mustard and 4¼ maunds for other oilseeds, the total yield of the crops for the province is estimated at 200,700 tons this year as against 172,700 tons (revised) last year.

M. CARBERY,
Director of Agriculture, Bengal.

The following draft of an amendment, which, in exercise of the power conferred by section 311 of the Bengal Municipal Act, 1932 (Bengal Act XV of 1932), the Governor proposes to make in the rules for the regulation of the supply of filtered water to private premises for domestic purposes in the municipalities of Baranagore and Kamarhati in the district of the 24-Parganas, which were published with notification No. 1001P.H., dated the 14th June 1940, is published for the information of persons likely to be affected thereby.

(2) To rule 2 of the said rules *add* the following paragraphs:—

"In the case of an application for a connection to a holding adjoining a road in which there is no municipal main, the applicant will have to bear the extra cost of providing and laying a service pipe from the nearest municipal main to the boundary of his holding *minus* such expenses as the Commissioners would normally incur to provide and fix the ferrule in the municipal main and connect the service pipe to it as well as for providing and fixing the stop-cock complete with chamber and the requisite check pipes. All such service pipes as are laid at the expense of the applicant shall be vested in the Commissioners from the date on which the connection to the holding is completed.

If the applicant is not willing to incur such expenditure, it shall be lawful for the Commissioners to refuse his application until such time as the number of applications for house connections to holdings in that road are sufficient to justify the laying of a branch main therein at the expense of the Commissioners, on which point the decision of the Commissioners shall be final."

1. These rules may be called the "Bengal Senior Educational Service and the Bengal Educational Service Recruitment Rules, 1943."

2. In these rules—

(*i*) "recruitment" means the appointment—

(*a*) of a person not already in service under the Crown to a branch or post;

(*b*) of a person in the service of the Crown to a branch or post which is not included in the cadre of his or her service or recognised by the Provincial Government to be a post normally filled by persons in his or her service or post.

(*ii*) "transfer" means the appointment of a person who holds a substantive appointment in a particular service to another post in the same service.

3. Recruitment to the Bengal Senior Educational Service and the Bengal Educational Service shall be by—

(*a*) promotion from the lower Educational Services;

or

(*b*) direct appointment by advertisement.

Provided that, if any particular post in the cadres of the services cannot suitably be filled by the above methods of recruitment, a person may be recruited, after consultation with the Public Service Commission, Bengal, for a limited period, on such terms as the Provincial Government thinks fit, one post in the service concerned being held in abeyance during such period:

Provided also that, besides the post of the Director of Public Instruction, Bengal, which is reserved for members of the Indian Educational Service so long as there are members of that service in any province in India available and fit to occupy it, the posts specified in Schedule I to these rules shall be reserved for members of the Indian Educational Service so long as there are members of that Service in the cadre of this province available and fit to occupy them.

Note.—The Director of Public Instruction, Bengal, may, by virtue of the power vested in him by the Provincial Government, make officiating appointments in the Bengal Educational Service, in leave vacancies (except special disability leave vacancies) for periods not exceeding 4 months, provided that reports of such appointments are submitted to the Provincial Government for notification in the *Calcutta Gazette.*

4. When a vacancy occurs in any post in the services, the Provincial Government shall decide whether it shall, having regard to the requirements of rule 12, be filled by promotion, direct recruitment or transfer:

5. No recruitment shall be made to any post in these Services without prior consultation with the Public Service Commission, Bengal, except in cases where such prior consultation is not necessary under the Bengal Public Service Commission Regulations, 1937:

Provided that nothing in these rules shall prejudice the right of the Provincial Government to transfer, without consultation with the Commission, any member of either of the services to any post in the service to which he or she belongs.

6. When recruitment is to be made by promotion, the Provincial Government shall call for recommendations for promotion from the Director of Public Instruction, Bengal, and shall, before making the appointment, forward these recommendations for the consideration of the Public Service Commission, Bengal. In calling for such recommendations the Provincial Government may prescribe—

(*i*) the number of recommendations to be made by the Director of Public Instruction, Bengal, and

(*ii*) the qualifications rendering persons eligible for promotion and the methods by which these qualifications shall be established.

7. Subject to the provisions of rule 9, when direct appointment is to be made, the Public Service Commission, Bengal, shall, unless prior consultation with the Commission is not necessary under the Bengal Public Service Commission Regulations, 1937, be in the first instance consulted officially in regard to the prescribing of the qualifications of candidates and after the question of qualifications has been finally decided, the matter shall be referred to the Commission, who will proceed according to their rules.

8. Advertisement for direct appointment may be made in India or in the United Kingdom or in both countries as the Provincial Government may, in each individual case, decide.

9. (*i*) The agency for selection for direct appointment in the United Kingdom shall be the High Commissioner for India acting on the advice of any Committee he may appoint for the purpose.

(*ii*) When advertisement for direct appointment is to be made both in India and the United Kingdom, the Provincial Government shall address the Public Service Commission, Bengal, in the matter, who, in its turn, shall make the advertisement in India and shall address the High Commissioner for India for making advertisement in the United Kingdom with a request to forward to the Public Service Commission, Bengal, the applications to be received by him with his recommendations. The claims of the candidates recommended by the High Commissioner shall be considered by the Public Service Commission, Bengal, with the claims of the candidates applying in India; and the Commission's final recommendations shall be forwarded to the Provincial Government.

(*iii*) When the advertisement is to be made in the United Kingdom alone, the Provincial Government shall address the High Commissioner direct in the matter with a request to forward to it the applications to be received by him with his recommendations. In such cases it shall not be necessary to consult the Public Service Commission, Bengal.

10. (*i*) When, in the case of direct appointment, the Public Service Commission, Bengal, have forwarded to the Provincial Government their recommendations, the Provincial Government shall require any or all of the candidates who have been recommended by the Public Service Commission and have not previously appeared before any Medical Board to appear before a Special Medical Board convened by the Surgeon-General, Bengal.

(*ii*) Candidates recommended by the High Commissioner for India shall appear before a Medical Board convened by the High Commissioner.

(*iii*) Male candidates shall conform with the standards prescribed in Schedule II to these rules and female candidates shall conform with the same standards so far as they are applicable. her candidature the support of any person. Spontaneous recommendations from persons interested in, or otherwise known to, the candidate shall be disregarded.

Schedule II.

[*Vide* rule 10(*iii*).]

Regulations as to the physical examination of candidates for direct recruitment to the Bengal Senior Educational Service and the Bengal Educational Service.

General physical requirements.

I. A candidate must be in good mental and bodily health, and free from any physical defect likely to interfere with the efficient performance of his duty.

II. In the examination of candidates the Medical Board will apply the following table of correlation of age, height and chest girth:—

Age.	Height without shoes.		Chest measurement on full expiration.	Chest measurement on full inspiration.
	Inches.	Inches.	Inches.	Inches.
21 and upwards	62½ and under	65	30	32
	65 ,,	68	31	33
	68 ,,	70	32	34
	70 ,,	72	33	35½
	72 and upwards		34	36½

III. *Measurement of chest.*—The candidate will be made to stand erect with his feet together and to raise his hands above his head. The tape will be carefully adjusted round the chest, with its posterior upper edge touching the inferior angles of the shoulder blades, and its anterior lower edge the upper part of the nipples. The arms will then be lowered to hang loosely by the side, and care will be taken that the shoulders are not thrown upwards or backwards so as to displace the tape. The candidate will then be directed to empty his chest of air as much as is possible. This is best done by continuous whistling with the lips as long as sound can be produced. The tape will be carefully gathered in during the process, and when the minimum measurement is reached it will be recorded. The candidate will then be directed to inflate his chest to its utmost capacity. The maximum measurement will likewise be noted. The girth with the chest fully expanded and the range of expansion between the minimum and maximum will then be recorded. In all doubtful cases the functional capacity of the lungs may be tested by means of the spirometer. The minimum vital capacity as tested by the spirometer shall in no case be below 180 cubic inches.

IV. The hearing must be good.

V. The speech must be without impediment.

VI. The teeth must be in good order, *i.e.*, decayed or broken teeth must be properly stopped or crowned, and deficient teeth replaced by artificial teeth, where necessary, for effective mastication.

VII. The chest must be well formed, the lungs and heart sound.

VIII. Rupture, hydrocele, varicocele, varicose veins in a severe degree, or other conditions likely to cause inefficiency will disqualify a candidate unless such condition is cured by operation. Where any candidate has been rejected and has subsequently undergone one or other operation for hernia, hydrocele, varicocele or varicose veins, the Board may pass him, provided they are satisfied that the candidate has been redically cured.

IX. The limbs, feet and toes must be well formed and developed, with free and perfect motion of all the joints.

X. A candidate must have no congenital malformation or defect likely to interfere with his efficiency.

XI. A candidate must not be subject to chronic skin disease.

XII. Evidence of previous acute or chronic disease pointing to an impaired constitution will disqualify.

Standard of minimum acuteness of vision required for appointment in the Provincial Services.

Better eye.	Worse eye.
Vision = 6/6	Vision = 6/6

after correction with glasses, provided there are no morbid changes present in the choroid or retinæ.

2. Cases of myopia may be admitted provided the ametropia in either eye or both eyes does not exceed—3·5 D and there are no morbid changes in the choroid or retinæ.

Cases of myopia with posterior staphyloma may, however, be admitted, provided ametropia in either eye does not exceed—2·5 D and no morbid changes are present in the choroid or retinæ.

3. Candidates with hypermetropia may be admitted, provided the acuteness of vision is—

Better eye.	Worse eye.
Vision = 6/6	Vision = 6/6

after correction with glasses.

4. In cases of defective vision due to nebula of the cornea, the candidate will be rejected.

5. Squints or any morbid conditions subject to risk of aggravation or recurrence in either eye may cause rejection of a candidate.

6. Colour vision need not be taken into account.

Form of medical certificate for candidates for direct recruitment to the Bengal Senior Educational Service and the Bengal Educational Service.

The attention of the Medical Board is specially directed to the following:—

No person will be deemed qualified for admission to the service who shall not satisfy Government that he has no disease, constitutional affection or bodily infirmity, unfitting him, or likely to unfit him, for the service. It should be understood that the question of fitness involves the future as well as the present and that one of the main objects of medical examination is to secure continuous effective service, and in the case of candidates for permanent appointment to prevent early pension. It is at the same time to be noted that the question is one of the likelihood of continuous effective service, and that the rejection of a candidate need not be advised on account of the presence of a defect which in only a small proportion of cases is found to interfere with continuous effective service. Before filling up the form it should be ascertained from the candidate whether he has been

previously pronounced unfit for Government service by any duly constituted medical authority in India or elsewhere.
